

KOMMINNI YASWANTH

Coimbatore, India 641112 | +91 9182257321 | yaswanthkomminni06@gmail.com | [LinkedIn](#) | [GitHub](#)

SUMMARY

Enthusiastic Computer Science undergraduate with hands-on experience in Python programming, data structures, and algorithmic problem-solving. Familiar with Linux commands, basic software development practices, and academic project implementation.

EDUCATION

Amrita Vishwa Vidyapeetham, Coimbatore 2024 – 2028

B.Tech. Computer Science and Engineering | CGPA: 7.11

New Vision Junior College, Khammam 2022 – 2024

Secondary Education (MPC) | Percentage: 95.7%

New Vision High School, Khammam 2021 – 2022

High School (SSC) | Grade: 9.8/10

Relevant Coursework: Data Structures and Algorithms, Database Management Systems, Operating Systems, Object-Oriented Programming, Frontend Development

PROJECTS

Student Grade Tracker

- Developed a desktop application using Python and Tkinter to manage subject-wise student marks and automatically calculate grades; implemented a user-friendly GUI with tabular display using ttk.Treeview, file handling, and input validation.

Automatic Fire Detection and Extinguishing System (Arduino)

- Developed an automatic fire-fighting system using Arduino UNO, flame sensors, a servo motor, and a DC water pump; detects fire direction via multiple sensors and activates servo rotation and pump control through PWM and transistor-based circuits.

Genomic Variant Detection System

- Implemented a Python-based solution to detect genomic variants by comparing sample DNA sequences with a reference sequence, identifying mismatches and mutation positions using string processing and algorithmic logic.

Sound Sphere

- Developed a Spotify-inspired music streaming application with an interactive interface, featuring song playback, play/pause controls, and track navigation, demonstrating frontend development and media-handling skills.

EXPERIENCE

AI & Cloud Intern 12 Jun 2026 – 10 Jul 2026

IBM SkillsBuild & Edunet Foundation

Remote

Web Developer 31 May 2026 – 13 Jun 2026

InAmigos Foundation (IAF)

Remote

NSS Volunteer 2025 – Present

Amrita University

Coimbatore

- Participated in community outreach programs.

SKILLS

Technical: Python, C, Java, JavaScript, HTML, CSS, SQL

Tools: Linux

Soft Skills: Leadership, Teamwork, Communication

Languages: Telugu, English, Hindi

CERTIFICATIONS

- Getting Started with Artificial Intelligence — IBM
- [5-Day AI Agents Intensive Course with Google](#)
